Janice L.

Janice was born and raised in Saco where she taught grades 3, 4, and 5 for 28 years before moving to Old Orchard Beach. She has a close-knit family that never misses the opportunity to be together. She especially enjoys spending time with her daughter, Tonya, and granddaughters, Allie and Alana. Janice is an avid reader and although does not watch much TV, enjoys scary movies! She doesn't like to cook, but does enjoy baking. Her most requested desserts are her pumpkin pie, whoopee pies, lemon squares, and mixed fruit and berry crisp. Janice favorite hobbies are sewing and walking for exercise. She is very talented, making fabric baskets, baby quilts, and more. She is most known for her holiday craft gnomes. "They are so fun to create and embellish," Janice says. One day she would like to visit Ireland to honor her late husband, Tim. Janice's piece of advice is to *enjoy the simple pleasures in life* with your family and friends. Her favorite part about working at the Wardwell is how welcoming and caring everyone is. "Each person is interesting and inspiring. Wardwell is always upbeat with lots of laughter. I hope to be here for years to come."
